FREE MEMBERS ONLY

THURSDAY, OCTOBER 15

9:00 AM - 10:30 AM

Elliot Eisenberg, Ph.D. (aka, "The Bowtie Economist") promises to entertain and educate as he discusses the short-term and longer-term health of the US economy. Dr. Eisenberg will discuss the most recent statistics on key topics such as the depth and breadth of the decline and recovery in GDP, the speed of the recovery, auto lending, inflation, interest rates, the health of labor markets, the impact of the just passed CARES Act, the severity of the novel Coronavirus and of course housing. In particular, housing starts, new housing sales, existing sales, renovations and repairs, mortgage rates and more! Find out everything you need to know to interpret the most critical data and gain a better understanding of market conditions and what may lay ahead and why. Be ready to take plenty of notes.
