Additional CBIA Affiliates

California Homebuilding Foundation

The California Homebuilding Foundation is a California-based non-profit paving the way for scholastic success for the state's next generation of builders. Leading, advancing and supporting the California homebuilding industry, one new builder at a time.

National Association of Home Builders

NAHB is a federation of more than 800 state and local builders' associations throughout the United States, including CBIA and its regional affiliates. The Washington, D.C.-based trade association promotes policies at the federal level that will keep housing a national priority.
